BLUE DREAM GROUP

**Faruque Hassan**

President of Bangladesh Garment Manufacturers and Exporters Association

Blue Dream Brand is making a huge contribution to the apparel industry at present. Blue Dream is playing a big role in advancing the economy of the country by exporting garments in several countries beyond the market. I applaud and congratulate this progress on the Blue Dream. Hopefully in the future, it will expand even more.

**Md. Abdul Alim Mahmud**  
I.G Bangladesh Navy Police

In a word, Blue Dream is an organization that runs against the stream. Where many people are doing business with low quality clothing in hopes of earning more profit, That is where Blue Dream has taken the opposite position with exclusive quality clothing.

**RJ Kebria**  
Social Media Influencer

Blue Dream stands out in the men's fashion landscape, offering a remarkable blend of contemporary style and classic elegance. Their clothing line, characterized by superior craftsmanship and high-quality materials, ensures both comfort and durability. The brand's commitment to eco-friendly practices is commendable, making it a top choice for the environmentally conscious. With their excellent customer service and trendy designs, Blue Dream is a must-visit for any fashion-forward individual seeking sophistication and sustainability.

**Mehidy Hasan Miraz**

# OUR ACHIEVEMENTS

BLUE DREAM  
LIMITED

## BLUE DREAM *FABRIC* LIMITED

Fabric is obviously one of the most pivotal things when it comes to fashion. Fashion is nothing without fabrics. Fashion is something that always starts with a singular piece of fabric, and have somebody makes it much better after that. Choosing fabrics is the first step indeed. Fabric is obviously the basic need to make any outfit. While making a dress or other, you will obviously have to choose the right fabric. The wrong choice can actually mess it up quite badly.

## BLUE DREAM *F A BRIC LTD.*

Blue Dream Fabrics Limited is a subsidiary company of Blue Dream. It supplies all the fabrics of Blue Dream.

Fabrics are usually imported from different countries of the world including China, India, Thailand, Pakistan, Taiwan, Turkey. They meet their own needs and wholesale in the country's market.

# BLUE DREAM INTERIOR DESIGN LIMITED

Interior design is the art and science of enhancing the interior of a building to achieve a healthier and more aesthetically pleasing environment for the people using the space. With a keen eye for detail and a creative flair, an interior designer is someone who plans, researches, coordinates, and manages such enhancement projects.

Interior design is a multifaceted profession that includes conceptual development, space planning, site inspections, programming, research, communicating with the stakeholders of a project, construction management, and execution of the design.

# BLUE DREAM INTERIOR DESIGN

Blue Dream Interior Design Limited is a subsidiary company of Blue Dream. It deals with all types of showrooms, home decoration of Blue Dream.

Interior items are usually imported from different countries of the world including China, Italy, Thailand, Pakistan, Turkey. They meet their own needs and wholesale in the country's market.

**Fabric testing** is the process of measuring the properties and performance of textile materials—textile testing includes physical and chemical testing of raw materials to finished products.

**Why is lab testing important in the apparel industry?**  
Lab testing is important in the apparel industry because it helps ensure that products meet safety, quality, and legal requirements. Not only does it help brands and retailers detect problems with their products before they reach the market, but it also allows them to ensure that their products meet consumer expectation.
